We wrapped up another great year of pitching. I hate that I had to miss the state tournament and meeting, but it seems that all went well. I would like to thank all that helped pull it together. We had 2 new inductees into our Hall of Fame. I was truly honored to be a part of the committee.

Lee Campbell has done more for horseshoe pitching than I can list here. He has helped keep the Gadsden courts going with his work and contributions.

Debbie Tidwell's induction was long overdue. She is one of, if not the greatest AHPA Women's champion ever.

Congratulations to both of you!!

We need to be working on recruiting new members and bringing back previous members with the world tournament coming to Montgomery, Alabama in 2016. All tournaments played after the cut-off date for the 2015 world tournament will count toward the 2016 world tournament. Let's get them on in and get them started. I know that all of our members are looking forward to it and will be promoting the AHPA and this event.

Have a bylaws change, addition or deletion you would like to see? Submit to one of our officers in writing before end of 2014 calendar year.

State officers, committee chairpersons and tournament directors will meet January 24, 2015 in Eclectic @ the TNT Courts to set 2015 tournament schedule and discuss bylaws recommendations. This meeting is open to all AHPA members.

May you have a great fall and winter season. Look for 2015 schedule and preseason newsletter in late February.
